Annual Report 2015

The last year was a very successful year for the circle.

We had 22 meetings in four Landkreisen.
Kevin has had organized all this meetings.
He looked for Hotels, restaurants and Gaststätten with a separate room where we are able to talk english in an relaxed atmosphere.

We startet in Januar 2015 with 54 members. 4 members resigned, but we found 8 new members so that the new number of members is 58.

We have members in more than four Landkreisen
19 Members are from Zollernalb, 14 from Rottweil, 12 from Tübingen and 11 from Freudenstadt.
Two members dont live in the four Landkreisen.

In every month we had two meetings.
Only in Dezember we had no meeting because of the christmas time.

One meeting in the middle off he month was at lunchtime on a Saturday and the other monthly meeting was at the last Friday in the month in the evening.

We have a friendly relationsship to the DAI German american institut in Tübingen. So we were invited to the Neckar celebration with Ann-Arbour and to the christmas reception with an exhibition.

The english, honorary consul invited us to the Queens birthday celebration in Stuttgart at Porsche museum

The canadian honorary consul Dr. Thomas Reith invited us to a meeting in Stuttgart where the minister of Canada was talking about the relationsship between Canada and Baden Württemberg.

In the end of August the Thyssen Krupp tower of Rottweil was build so we decided to go there.
We had a guide from the city of rottweil and he explained us the constuction off he tower.

This year in autumn the tower will be finished and we will visit the tower again.
We will go to the fossil Museum at HOLCIM und we will visit the Fossil park in Dotternhausen.

In december last year our president Mr. Kevin MacInerney-May died. He was 84 years old and he was one of the founders of our circle.

He started in 1994 with only four members.

He went to all the majors off he citys and villages of the Landkreise and asked for an free of charge inserat to announce the meetings of the circle.

So the circle increased to 58 members in more than four Landkreisen.

Our task is now to try to continue the circle.
