Dear _____ welcome in the Circle.

The English Speaking Circle Starzach and Landkreise Freudenstadt, Rottweil, Tübingen & Zollernalb was established in 1994 and is conceived as a friendly social club, which offers, twice a month, in a relaxed atmosphere the opportunity to converse and discuss in English and thus to speak and hear English spoken. This is important not only for people, whose Mother Tongue is not English, but also for long term Expatriates from all countries, where English is an Official Language.

We meet twice a month in Catering Establishments, which have normally a separate room, where we can be on our own and hear one another properly and can order what each want to eat and drink.

The places we meet are reachable via main roads with nearby parking facilities. All are central according to the total size of our area or central to one of our sections.

Entrance Fee once is € 15 to be paid in the month of entrance. The annual Fee is € 20 to be paid by Bank Transfer at 15th April annually to Circles account.
